## Health & Safety Policy

*On Site Security Ltd*

### 1. Our Commitment

On Site Security Ltd is committed to ensuring the health, safety, and welfare of all employees while at work. This also extends to others who may be affected by our activities, including clients, contractors, and the general public.

### 2. Objectives

- Effective planning, development, and annual review of this policy.
- Developing and maintaining clear communication channels for health & safety matters.
- Protecting employees by preventing work-related injuries, illness, and incidents.
- Complying with all relevant laws, regulations, and collective agreements.
- Consulting and engaging employees in all elements of health and safety.
- Driving continual improvement in our health & safety performance.
- Providing training, instruction, and information to all staff (including temporary and site-based workers).
- Allocating appropriate resources including finance, time, and equipment.
- Liaising with clients and visitors to maintain safe environments on all sites.

### 3. Implementation

We will take all reasonable steps to monitor, maintain, and improve:

- Safe working environments
- Safe systems of work
- Safe use of equipment and substances

We recognise that safety is a shared responsibility, not just a management function. Every employee has a duty to:

- Take reasonable care of themselves and others
- Follow company procedures
- Report hazards and incidents
- Cooperate with the company's safety objectives
